## *Hospitality Rider*

### **ARRIVAL**

Please provide detailed directions two weeks before the date of the show with the complete address of the venue and a telephone contact. We need a safe parking space available for the van close to the venue that provides access to our trailer. Please provide arrival, soundcheck and doors-open and on-stage times. The promoter or another person should be at the venue at arrival time.

### **FOOD/DRINK**

We humbly request a package of water bottles, or equivalent access to drinking water from your bar/kitchen. We aren't ever above a free meal, accounting for the detail that we don't really drink alcohol or eat meat. If no food is available, any recommendation to good local restaurants is always a plus.

### **PRESHOW LODGING**

We would appreciate an adequately lit area near the stage that gives us space to store our equipment before and after our show, "scratch" our drums, set up guitars and change into/put on stage attire, preferably out of sight of the audience.

### **MERCHANDISE**

A small area with a power outlet to set up a merch display. We will use our own table and display if necessary, but always appreciate it when provided. We ask to keep our merchandising profits.

### **COMPENSATION**

This business obviously has room for ups and downs. Potentially being a new band in your town means we are open to discuss what is fair, beyond a minimum of \$99 to provide gas for our arrival and departure to the next venue.
